HERZLIYA, Israel, May 13, 2025 /PRNewswire/ -- Winning big has never been cozier. Get ready to hit the jackpot without a trip to the Strip as Slotomania rolls out its latest 360 campaign, *Vegas in PJs*. This new campaign brings together each of Slotomania's latest game releases while shining light on players' favorite way to game – on the couch in their PJs!

Launched on April 29, 2025, the *Vegas in PJs* TV spot is now broadcasting across major networks and channels with a playful commercial showcasing the ultimate fusion of comfort and excitement while players wearing PJs enjoy IGT's iconic land-based slots inside a buzzing casino. The creative spot highlights how Slotomania is bringing the thrill of IGT's games on the casino floor to the comfort of players' homes via free-to-play games. Further emphasizing its commitment to engaging with the Slotomania community, the commercial features a true Slotomania player, who won a trip to Europe in 2025 to be featured in the TV spot!

"As a leader in mobile gaming, we aim to bring the energy and thrill of real IGT casino slots straight to our players," said Amnon Calev, Executive General Manager for Slotomania and Slots Central at Playtika. "Our strategic relationship with IGT not only brings new levels of excitement to our fanbase, but further emphasizes our commitment to delivering a premier gaming experience to our players."

Building on the success of Slotomania's *Cleopatra II* campaign, *Vegas in PJs* reinforces Slotomania's goal of bringing the most beloved casino floor slots to mobile and web players, spotlighting three of IGT's most beloved land-based slots: *Cleopatra II*, *Regal Riches*, and *Wheel of Fortune Lucky Coins On Stage*. With a successful track record, this campaign strengthens Slotomania's position as the go-to destination for immersive, at-home gaming. Players can find these fan-favorite slots in-game and experience different spins and wins from the comfort of their homes.
