Herzliya, Israel - November 5, 2026 - Playtika Holding Corp. (NASDAQ: PLTK) today released financial results for its third quarter for the period ending September 30, 2026.

Conclusion of Strategic Review

Playtika's Board of Directors has concluded its review of strategic alternatives and determined that Playtika will continue to operate as an independent, publicly traded company. The Board believes this path best positions the company to create long-term value for shareholders.

"SuperPlay continued to deliver strong year-over-year growth, with Disney Solitaire up 88%, and June's Journey grew double digits in its ninth year. These results show the resilience of our portfolio."

Non-GAAP Financial Measures

Adjusted EBITDA and Adjusted Net Income are non-GAAP financial measures and should not be construed as an alternative to net income as an indicator of operating performance, nor as an alternative to cash flow provided by operating activities as a measure of liquidity, or any other performance measure in each case as determined in accordance with GAAP.

Our Credit Agreement defines Adjusted EBITDA as net income before (i) interest expense, (ii) interest income, (iii) provision for income taxes, (iv) depreciation and amortization expense, (v) impairment charges, (vi) stock-based compensation, (vii) contingent consideration, (viii) acquisition and related expenses, and (ix) certain other items. We calculate Adjusted EBITDA Margin as Adjusted EBITDA divided by revenues.

We define Adjusted Net Income as net income before (i) impairment charges, and (ii) contingent consideration.

Adjusted EBITDA, Adjusted EBITDA Margin and Adjusted Net Income as calculated herein may not be comparable to similarly titled measures reported by other companies within the industry and are not determined in accordance with GAAP. Our presentation of Adjusted EBITDA, Adjusted EBITDA Margin and Adjusted Net Income should not be construed as an inference that our future results will be unaffected by unusual or unexpected items.

APPENDIX

Non-GAAP Financial Measure

Adjusted EBITDA and Adjusted Net Income are non-GAAP financial measures and should not be construed as an alternative to net income as an indicator of operating performance, nor as an alternative to cash flow provided by operating activities as a measure of liquidity, or any other performance measure in each case as determined in accordance with GAAP.

Our Credit Agreement defines Adjusted EBITDA as net income before (i) interest expense, (ii) interest income, (iii) provision for income taxes, (iv) depreciation and amortization expense, (v) impairment charges, (vi) stock-based compensation, (vii) contingent consideration, (viii) acquisition and related expenses, and (ix) certain other items. We calculate Adjusted EBITDA Margin as Adjusted EBITDA divided by revenues.

We define Adjusted Net Income as net income before (i) impairment charges, and (ii) contingent consideration.

Adjusted EBITDA, Adjusted EBITDA Margin and Adjusted Net Income as calculated herein may not be comparable to similarly titled measures reported by other companies within the industry and are not determined in accordance with GAAP. Our presentation of Adjusted EBITDA, Adjusted EBITDA Margin and Adjusted Net Income should not be construed as an inference that our future results will be unaffected by unusual or unexpected items.
